

PROJECT PROFILE

STADIUM RENOVATION: PHASE II | GENERAL CONSTRUCTION

Owner/Client

Gettysburg Area School District
900 Biglerville Road
Gettysburg, PA 17325

Project Timeline: May 2014 – August 2014

Construction Value: \$2,677,000.00

Contractor:

eciConstruction, LLC, Dillsburg, PA

Project Description:

Phase II of the Stadium Renovation included the construction of a synthetic turf field, all-weather 400 meter running track, home bleachers, press box, concession/restroom buildings, a viewing plaza and associated access ways and spectator controls. An existing concrete bleacher structure and frame press box was also renovated. The completed stadium has a seating capacity of approximately 2500 and the multi-use field is dedicated for football, soccer, field hockey and boys and girls lacrosse competitions.
