600 Rutherford Road  
Harrisburg, PA 17109

Project Timeline: September 2016 – October 2016

Construction Value: \$168,665.00

### Contractor:

ATT Sports, LLC, Berlin, NJ

### Project Description:

Central Dauphin High School's running track was in need of rejuvenation. The original surface material, base mat/structural spray, exceeded its expected life span and was wearing away in multiple locations. TTC conducted a thorough analysis of the existing conditions and recommended a procedure to resurface the existing system at a major cost savings over entire replacement.
